BULLETIN # 1

INVITATION LETTER to the 5th South America Sub-region gathering

Salinas - Uruguay
November 2 to 4, 2018

"BUILDING A BETTER FUTURE TOGETHER"

We are pleased to invite you to participate in the 5th South America Sub region Gathering, from November 2 to 4, 2018 in Uruguay.

The meeting will take place in the "Hildebrando Berenguer Vacation Complex", Salinas resort, 38 km far from Montevideo, where we will also stay.

We will have the unparalleled opportunity to meet with fellow Scout and Guides from the three Americas and Europe. We especially emphasize that during the Assembly on November 2, the Organizations belonging to our Sub region will continue to advance in their formal consolidation and there will be elected the members of the Sub-region Committee, whom will exercise its functions until the next Gathering in the year 2021

In this way, the Sub region will have a coordinating instance that will link us more closely and facilitate the development of projects of the Participating Organizations towards their communities.

In the event, our central organizations will be presented: ISGF World Bureau, Central Branch and Regional Committee of the Western Hemisphere, as well as the Projects of the Participating Organizations that wish to do so.

We will also visit Montevideo city, participate in an attractive International Scout market, and a spectacular campfire with games and representations from participating countries.

Enrollment registration must be made before September 1, 2018, and includes three nights of accommodation (1, 2 and 3 November), twelve meals (3 breakfasts, 3 lunches, 3 snacks and 3 dinners), transportation, materials and the trip to Montevideo city during the gathering..

Its cost depends on the chosen accommodation: it is USD 320 per person in a fivefold base, USD 420 per person in double basis, and USD 520 in case of being individual.

The available places on a Double and Individual basis are limited, so they will be assigned according to the order of arrival of the corresponding Registration Form.

Arrivals and Departures

Participating delegations are expected to arrive on November 1 at Carrasco Airport, or at the Port of Montevideo, or at "Tres Cruces Terminal" of Montevideo buses. From those places we will coordinate the transfer to the meeting place in Salinas, where we will offer you a warm welcome and dinner, included in the registration fee.
