

**11th Europe Conference
11e Conférence Européenne
Ranum, Denmark 30 July – 3 August
2023**

Dear participants of the 11th European Conference
Dear brothers and sisters in adult scouting and guiding
Dear friends all over Europe and beyond.

We welcome all of you to the Conference in Ranum Denmark. We will do the necessary work to push forward our region and make it strong to withstand the coming challenges in our organization. At the same time, we renew friendships or start new friendships between European member countries and make twinning involving all our brothers and sisters.

A special warm welcome to the participants from other parts of the world.

“Togetherness, inspiration, sustainability” is the theme of the conference. These items become more and more important nowadays. We will get a lot of inspiration about that matter.

When you return home after the conference you can be sure that you have taken a step in the right direction.

The registration is already open and you can find a link on the website www.isgf-euro2023.dk and more information in the newsletters that are on the website www.isgf.org

All the best and be prepared

Pierre Decoene, Chair European Region Committee
