Christmas 2019 and New Year 2020

*Jesus preached nothing else than 2000 years later
Albert Einstein with his famous sentences:*

*"If you think as you have always thought,
you will act as you have always acted.
If you act the way you have always acted,
you will do what you have always done."*

*The preacher from Galilee wanted to make people act
differently, and their thinking had to change first.*

*All friends, boy scout friends and guild members
wishes the VDAPG Executive Board
a Merry, Blessed Christmas and a Happy New Year.
a gratifying and successful year 2020*
