Message from the Chairwoman of the Organizing Committee

Hi everybody!

Since the previous World Conference held in Bali (Indonesia) in 2017, Spain was chosen as the host of the next conference, in AISG Spain we are working with enthusiasm and hope to make this gathering indelible in the memory of all of you. New meetings, new projects, new friendships, new songs, new images and new memories on which to project the future of our International Fellowship.

On behalf of the Organizing Committee of the Conference, we are waiting for you in Madrid, a very open, friendly and receptive city where "nobody feels like a stranger". We invite you to come and verify it.

HELENA THOMAS

Conference branding and logo

The joyful colors used in the design of the logo of the 29th ISGF-AISG World Conference Adult Scouts and Guides represents the diversity of our world organization, ISGF International Scout and Guide Fellowship.

The colourful sun highlight the warm nature of the country and the three 'mountains' the wide range of possibilities that Spain has to offer to its guests.

Spain offers an incredible landscape, beautiful beaches and the access to the Atlantic Ocean and the Mediterranean Sea – a privilege that only few countries have – and its nights are simply unforgettable.
