Warm greetings from the ISGF World Committee and the World Bureau.

Due to the Covid-19 we are happy now to re-open new registrations.

We thank all those registered who have decided to maintain their participation in the event and continue with us at the 29th Conference which will take place next year.

After the deadline for returns, we start a new stage.

New registrations will be made under the conditions indicated below.

There are many activities and projects that we can do online to promote our fraternity and to help others. As adult Scouts and Guides, our creativity is our best resource. ISGF members around the world can have meetings online, using Skype, Go to meeting, Jit.si Meet, Instagram, WhatsApp, Facebook and many other applications.
The new date of the 29th World Conference will be from 17 to 22 August 2021.

The postponement will respect all the places that are already registered, having all the priorities as reservation. The published prices will be respected (only for those already registered). We are currently negotiating that the sightseeing tours can next year maintain the prices offered.

Considerations on the registrations already made (Produced by COVID-19):

a. The registrations that were made for a single payment (one quota or installment) before May 15, 2020, pass with the same conditions; and the payment must be made before May 15, 2021. **SINGLE PAYMENT before May 15, 2021.** Updates can be made to the registration in order to move to better conditions.

b. The registrations that had two installments on 15 February and 15 May 2020 and had not paid any installment (or quota); in order to maintain the same price, are transferred to the **OPTION: 2 INSTALLMENTS OR QUOTAS** (15 February and 15 May 2021).

c. The registrations that had two installments on 15 February and 15 May 2020 and had paid the first installment (or quota); the second installment will be paid on 15 May 2021. In the case of receiving
the total amount before 15 February 2021, would be transferred to the **OPTION: 2 INSTALLMENTS OR QUOTAS.**

d. For the persons who had the registration of 3 installments or quotas in the year 2020, to maintain their conditions they must have made the payment of the second installment or quota before 15 November 2020, and the third before 15 February 2021. In the case of noncompliance, they will be promoted from level one to the **OPTION: 2 INSTALLMENTS OR QUOTAS** and, finally, to **SINGLE PAYMENT** before the 15 May, 2021.

e. Change to the Hostel Scout: Preference is given to those who opted for the modality of attendance modality “**REGISTRATION ONLY**” with **Camping**. We offer a shared room with 8 beds in the Hostel Scout (there are only 30 places).

f. If you wish to make any changes in the Hotel, you can notify it by email: 29WConf@aisg.es

g. If you have requested some extra nights you must increase the price of the extra nights to the price of the quota on the payment date of 01-15 May 2021.

Cuando el tiempo que encontramos en nuestras vidas
Es un tiempo que dedicamos a los necesitados
Un día oscuro puede convertirse en algo especial
Y muchos otros objetivos aparecen que podremos lograr

Toute la fin de ce travail est le service
Mais la route vous fait profiter du temps
Chaque montagne qui s'élève conduit à une autre
C'est une boucle qui ne s'arrêtera pas

Imprégnate de UBUNTU
No te arrepentirás
UBUNTU es ser feliz con los demás
De solidaridad
Que te ofrece mucho más de lo que das

No mires hacia atrás
Elige bien tus sueños y a volar
UBUNTU es contagioso
UBUNTU es unidad
Es dejar mejor el mundo a los demás] bis

Camping and Hostel Scout Accommodation

Accommodation in Scout Hostel: those registered in 2020 who requested camping will have preference in case they prefer to stay in this Scout Hostel since the camping does not offer the materials for camping.

The Osuna campsite is located in the centre of Madrid and has bathrooms and washing machines, a bar, a reception, a wifi area and a social lounge, a children's playground, a supermarket, a plot area and a camping area. You can come with a tent, caravan or car.

It is very important, that everyone must bring their equipment. If you want to camp, you must bring your tent, sleeping bags and all the necessary things. The campsite only provides one plot to set up the tent.

GROWING IN DIVERSITY!  
WE WAIT FOR YOU!
Some recommendations

FLAGS: Each country represented at the World Conference must bring at least one official flag of their country for the ceremonies held during the event. The measurement of the flag should be: 150 x 100 cms - 60 x 40 inches.

UNIFORMS: Remember to bring your national uniforms (if any) for the Opening and Closing Ceremonies.

NATIONAL COSTUMES, MUSIC AND FOLK DANCES: Participants are invited to bring their national costumes to share some folk dance or any cultural presentation during the nights of the event.

GIFTS: In 2014 ISGF approved a policy on gifts that can be given by delegations to other delegations, individuals, members or former members of the World Committee, the Host Committee or the Host Country. These souvenirs should be minimal and symbolic, so as not to compromise the luggage of other participants.
All delegations and participants to the Conference are requested to be cautious and not to compromise their participation in the event by trying to enter the country with food and drinks that do not comply with the health measures of the Kingdom of Spain and the European Union.

The Conference will have an official photographic panel. There will be an important security and protocol operation that must be respected on special occasions. Those who do not respect the rules of security and privacy will be invited to leave the Conference Plenary for the rest of the day.
