News from NSGF's...

We would like to share the news we got from AISG Spain.

- AISG Spain and the FEE (Spanish Scouting Federation) have signed a joint declaration, where they commit working for the development of Scouting in Spain.

- In March 17/18, AISG Spain had their National meeting in Madrid, where they discussed several topics particularly the event for 2020, the ISGF World Conference.

A warm welcome to the new ISGF Secretary General, Nathalie Henrard-

Happy Holidays
and a Happy
2019
