On Gurupurnima Day (27.7.2018) we visited Zilla Parishad's Pradhamik Shala, Mugao, Shahapur, nearly two hours journey from Thane. Mugao, where this beautiful school is situated, naturally blessed, calm and clean village. Noticeable thing about this school is, classes from 1 to 7, with total 182 students are very well managed by only 6 teachers including the Principal. No peons, no clerks, no admin, the entire show is managed by these six teachers and the students. We are fortunate to reach this place of serenity and meet these students well dressed in uniforms and well disciplined. We distributed study materials such as long and short notebooks, Geometry boxes, art and craft materials etc. to all students in the school according to their requirements.
