1. How to order the leaflet: We printed a limited supply and copies can be ordered from World Bureau. However, shipping costs will be on your account. One leaflet = 11 grammes. There is also a possibility to receive the ordered leaflets at the coming ISGF Europe Region Conference in Bremen, Germany (21-25 August 2019) or at the Western Hemisphere Region Conference in New York, USA (16 – 20 September 2019).

2. Print the leaflet yourself:  
Those who want to print the leaflet in their own country in order to reduce shipping costs will be sent a high-resolution PDF version in English or in French. Printing costs are on your account.

3. Leaflet in your own language:  
Those who want to produce the ISGF leaflet in their own languages are invited to contact the World Bureau to agree with practical details. If NSGFs/CB countries have the same language it would be practical to cooperate and work together. The Region may have a budget to support some of the costs. The ISGF leaflet will have to be printed in accordance to the ISGF conditions in order to respect uniformity and quality standards with regards to the image of the ISGF and the overall text. The graphic designer will charge you with 390 euro exclusive 21% VAT and one free correction round will be allowed. A high-resolution PDF will be created so the leaflet can be printed in your country on your account in your own language. The World Bureau will assist you and is the link between you and the graphic designer.
