

On behalf of Sct. Georgs Gilderne i Danmark - the Danish National Scout and Guide Fellowship - I am pleased to send you our best wishes for a Merry Christmas and a peaceful and Happy New Year!

For some years now, the future of our movement has been of some concern.

But the National Board, the committees and the local fellowships rolled up their sleeves to keep the guilds alive and kicking. Now, we must carry on pulling together for our common goal.

2020 saw the start of the Covid-19 pandemic which is still holding the entire world in its iron fist. This was an additional challenge strongly felt by the Danish guilds at all levels, not least due to the restrictions imposed by the Government.

But now, Christmas time is here, and we are at the doorstep of the new year full of optimism. We are thankful that everybody has cooperated to make things work across the whole organization at a distance and yet together.

We are now looking into 2021 with the hope and will to continue this rewarding cooperation, but mostly hoping to be able to meet without distance very soon.

With warm Christmas Greetings and wishes for a happy and auspicious year of 2021.

Helmut Werth, National President

Sct. Georgs Gilderne in Denmark

Sct. Georgs Gilderne i Danmark sender de bedste ønsker om en glædelig jul samt et fredfyldt og godt nytår 2021.

Vores bevægelses fremtid har bekymret os alle nu i flere år.

Landsgildeledelsen og de forskellige arbejdsområder er trukket i arbejdstøjet for at holde liv i gildebevægelsen. Må vi den kommende tid fortsat trække på samme hammel!

I 2020 har dog den største udfordring været og er stadigvæk Covid-19 pandemien. En pandemi, der holder hele verden i sit jerngreb.

Denne udfordring belaster selvfølgelig også Sct. Georgs Gilderne i Danmark.

Især har restriktionerne, som vores regering har måttet pålægge hele samfundet, som har indskrænket vores normale aktiviteter og belastet vores fællesskab.

Vi går dog ind i juletiden og det nye år med stor optimisme, og takker for samarbejdet i 2020. Lad os se frem til en god og udbytterig fortsættelse i det nye år.

Med varme julehilsener og ønsker om et lykkebringende år 2021.

Helmut Werth, Landsgildemester
