

## Jordan

The World Committee has studied the national Constitution of the "Jordanian Association for the Pioneers of Boy Scouts and Girl Guides" as well as their report of activities and financial report. This National Organisation was active since 2006. It subscribes to the principles, aims and objectives of the International Scout and Guide Fellowship as set in its Constitution. This National Organisation is part of the "Jordanian Association for Boy Scouts and Girl Guides".

Therefore their members have good relationship with the Youth Movement. They participate in the social development of the country through their support to the youngsters.

This National Organisation has 130 affiliated members spread all over the country and accepts the financial commitments of the International Scout and Guide Fellowship.

This National Organisation is represented at the World Conference of Vienna. Their application has been considered by the World Committee, according to ISGF Constitution (Article V, section 3), who hereby recommends to the World Conference the granting of ISGF **Full Membership**

with the following resolution

**The World Conference accepts the Full Membership of**

The "Jordanian Association for the Pioneers of Boy Scouts and Girl Guides"
