Census	2016	165			
	2017	168	Women 42 % Men 58 %		

Ideas to recruit new and younger members	<i>Privilege of fellowship members has been highlighted in our communication systems. A clear message about not hampering personnel life, business / service has been inserted in recruitment policy and our others program. WE ALSO make them understand that, this is an absolute philanthropical organization, which attract more people to be a member of NSGF. A page on NSGF, Bangladesh opened in the Face book. In some occasion we provide souvenir to the attendance.</i>
