Procedures IP Team

Nature and Aim:
The International Projects Team (IP Team) is a working group of the ISGF World Committee. Its aim is to document and co-ordinate all the projects offered to the ISGF from WOSM, WAGGGS, UNHCR, National Scout and Guide Fellowships (NSGF’s), Central Branch (CB) groups, as well as those originating from the ISGF World Committee (WCom), so a clear picture of who is doing what can take place. At the same time this documentation and co-ordination will enable our members (individually, locally or nationally) to support a project that suits them.

Procedure:
WOSM, WAGGGS, NSGF’s and the WCom may submit a proposal for a project to the ISGF World Bureau, Avenue de la Porte de Hal 38, BE 1060 Brussels, Belgium, or directly to the IP Team: projects@isgf.org
