

The Fellowship Toy

Can you put the smile on the face of a refugee child in Jordan?

Zaatari Refugee Camp in Jordan shelters more than 130,000 Syrian refugees of which over 60,000 are children

As part of the 60th anniversary celebrations, the National Scout and Guide Fellowship UK is collecting toys for children aged 4 -10 years displaced from their homes in Syria

What is needed?..

Bats and balls and any type of sports equipment, board games, building blocks such as Lego, crayons, colouring books, pencils, toy vehicles, toy instruments

In fact anything that boys and girls can play with

(Regrettably, soft fabric toys CANNOT be accepted, by UNHCR for distribution, due to the conditions in the camp)

The Fellowship Toy—A Partnership between

*United Nations High Commission for Refugees, Pitt Rivers Museum, Oxford,
The National Scout and Guide Fellowship (UK), and Aviation without Borders*

Collecting toys in the UK

Toy making and collecting base

Packaging and arranging freight by Royal
Jordanian Airlines

*distributed in Jordan by the United Nations
High Commission for Refugees*

Donations (gift aided) welcome towards transportation costs, Cheques to be made payable to: Scout & Guide Fellowship
