

To the attention of National Presidents, International Secretaries, Regional Committees,  
Contact persons of Central Branch Groups.

Dear members,

The ISGF World Committee, having reviewed the evolution of the Gross Domestic Product (GDP) figures of ISGF country members based on the latest official list of the International Monetary Fund (2020), inform you that countries subject to any change of category will be informed in due course. The new categorising will enter into effect on 01<sup>st</sup> January 2023.

The ISGF World Committee having considered the Belgian cost of living indexes for the last four years and taking notice of an inflation of around 11% propose that the fee rates of the various levels be updated accordingly and applicable on 01 January 2023.

The current rates per capita are:

Level 1	Level 2	Level 3
€ 2.26	€ 1.51	€ 0.75

The upgraded rates per capita would be then:

Level 1	Level 2	Level 3
€ 2,51	€ 1,68	€ 0.83

This proposal will be submitted to the World Conference for approval in Brussels, Belgium

Thank you for your attention.

Yours in Fellowship,

Zalillah Mohd Taib  
Chairman  
ISGF World Committee.
