40 years have passed since we began our nice journey. Full of activities, excursions, trips, offerings but also presence in the Scouting events of our country and not only!

On this occasion, the Association of Old Scouts of Nicosia is organizing an anniversary event at the Cultural Center «Palaia Agora of Pallouriotissa» on Wednesday, October 25 at 7:00 p.m.

We invite you to celebrate our birthday there and reminisce unforgettable moments of our Scouting life.

Our Europe President was at a Business meeting, but she wore her ISGF scarf and told them about ISGF and its 70<sup>th</sup> birthday.

In Finland members gathered for fellowship, singing and a meal

The Baden-Powell Guild UK held an online meeting with members from Europe and the AsPac Region. Looks like they had fun.
