2026 YEAR OF NEW BEGINNING – WESTERN HEMISPHERE ISGF

Dear Brother Scouts and Guides, I would like to begin by reflecting on our wonderful 2025 gathering year. It was a pleasure to meet in Guatemala for the Central America and Caribbean Subregion, and in Cusco, Peru, for the South American Subregion.

II Central America and Caribbean Subregion Gathering ISGF - AISG / Guatemala, August 28 to 31, 2025

These moments forge deeper connections and inspire us to work together toward a brighter future.

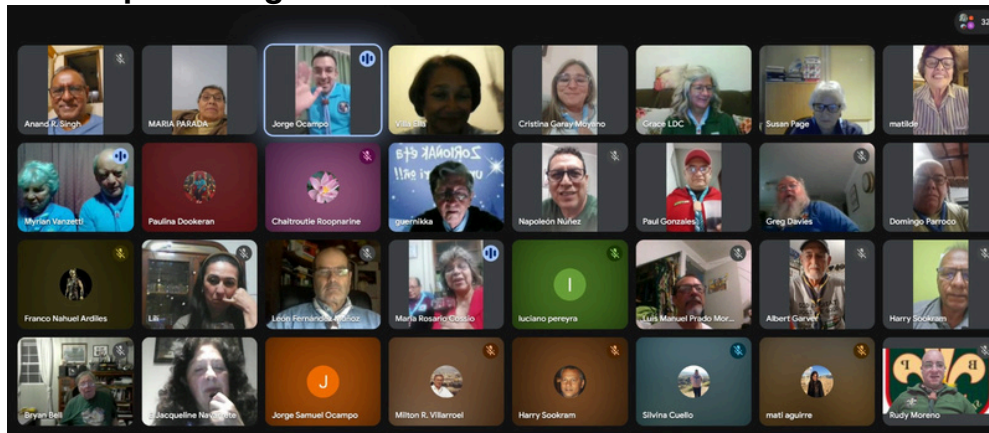

VII South America Subregion Gathering ISGF - AISG Cusco Peru, October 23 to 26, 2025

ONLINE SUMMIT DECEMBER 2025

The 3rd Online Summit, held on December 21, 2025, was a wonderful opportunity to reconnect, reflect on our shared experiences, and toast to a future filled with success. We were honored to be joined by three members of the World Committee: Vanessa Hoogenbergen from Curacao, and for the first time, Greg Davies from Australia and Sue Page from the United Kingdom. Also in attendance were Leny Dolman, Central Branch Coordinator, and Scouts and Guides from across the entire Western Hemisphere Region.

THANK YOU FOR THIS YEAR

We are currently in the process of selecting the host destinations for our 2028 subregional gatherings. I encourage you to submit your bids and work together to make these events a resounding success. I would like to commend the subregional committees for their hard work and dedication; please be assured of my full support and commitment to your efforts.

I would also like to invite you to the Western Hemisphere Conference, taking place from September 15 to 19, 2026, in Trinidad and Tobago. This will be a space to exchange ideas and strengthen our bonds of friendship and Scout brotherhood. Preparations are already underway to ensure a successful event. I wish you all a wonderful 2026, filled with hope, joy, and peace.

Always ready!
