Proposals Amendments to WHRegion MOU

To the attention of National Presidents, International Secretaries, Sub Regional Committees, Contact persons of the Central Branch groups and individual members of the Western Hemisphere.

Dear members,

The 4th West Hemisphere Conference will take place in Trinidad & Tobago, from September 15 to 19, 2026.

In accordance with the instructions of ISGF, our Committee is cooperating closely with the host organization, Trinidad & Tobago Scouts and Guides Fellowship, (TSGF) and we trust that by working together, we will achieve a successful event.

One of the important issues that may happen is the amendment of the Region's Memorandum of Understanding in case any National Organization understands it is necessary.

Therefore, you are kindly request to submit your proposals of amendment to the WHR Memorandum of Understanding before May 22nd , 2026 along with your comments to the Agenda, if any.

Yours in fellowship,
Jorge Ocampo
