

***On Sunday, December 17, 2017, the 2nd
"Christmas Star"
will be held in Cormons (GO - Italy)
within the Alpe Adria Scout Fraternity
with the welcome of the
"Peace Light from Bethlehem".***

For fifteen years, Adults Scout of Italy (especially from Veneto, Trentino Alto Adige, Friuli Venezia Giulia and some years from Emilia Romagna) of Austria, Slovenia and Croatia, freely meet confirming their friendship. This year we will meet "In the Sign of Peace", this is the motto chosen for the meeting.

In recent years, with our world so unstable because wars, terrorism and racism, we have done our best to sow the Peace and to break the borders. We recall the meetings between the International Road of Peace in 2014 between Tolmin the Soča Valley and Caporetto, tragic memory of the First World War. In the 2015 the Jamborette in Limberg (Austria) when we launched the slogan "We Build Bridges", but even more significant is the meeting with the Exchange of the Light of Peace from Bethlem to Rovereto, at the Camp of the Fallen "Maria Dolens". All this is our spontaneous consolidation of friendship and fraternity among peoples, once rivals and enemies, gathered today around that flame coming from Bethlehem "In the Sign of Peace".
