

*Full of
apprehension
and fears I waited
for the new year.
I asked the angel, who stood
at the gate of the year:
"Give me a light, so I can
walk safely towards all
uncertainty."
But he answered:
"Step into the darkness
and lay your hand
in the hand of God;
that is much better
than a light and
a well-known path."

*To our
brothers and sisters
in Scouting and Guiding
all over the world
we wish all the best
for a safe and healthy
NEW YEAR 2022.
Let us hope,
that COVID 19 will come
to an end and we will be able
to meet personally again.*
